PTR and PER Adjustments in the 2009-2012 Collective Agreement

9 Feb 2010 - Since the printing of the 2009-2012 Collective Agreement, a number of members have contacted YUFA about the amounts of the Progress-through-the-Ranks (PTR) ([Article 25.03](#)) and Professional Expense Reimbursements (PER) ([Article 25.08](#)) adjustments.

Both the PTR and PER amounts remain the same as in the final contract year of the 2006-2009 Agreement. For clarity, eligible members will receive:

- **PTR** in the amount of **\$2,700** each May 1st for the life of the Agreement, and
- **PER** in the amount of **\$1,450** each May 1st for the life of the Agreement.
