## YUFA following Protecting Public Services Act, 2012 and related developments

9 Oct 12 - On Friday, 28 September YUFA representatives participated in an Ontario Confederation of University Faculty Associations (OCUFA) seminar on the [proposed Protecting Public Services Act, 2012](#).

It is our understanding that the Act represents a threat to collective bargaining and if implemented would have a profound effect on YUFA and YUFA members.

A comprehensive summary and analysis of the Ontario government's draft labour legislation, *Protecting Public Services Act 2012* has been prepared for OCUFA by the legal team at Sack, Goldblatt, Mitchell. It focuses in particular on Schedule 2, titled *Respecting Collective Bargaining Act (Public Sector), 2012*. The summary and analysis can be accessed by following this [link on the OCUFA website](#). The passcode to access this section of the website is: ocufalegi55.

YUFA will continue to follow developments around this proposed legislation with active interest. In the meantime, YUFA is always happy to receive input from Members, particularly those working directly on these issues.
