YUFA Executive Endorses and Recommends Tentative Settlement

2 Aug 12 – On 31 July 2012 the YUFA Bargaining Team reached a Tentative Settlement with the Employer to renew our Collective Agreement. The YUFA Bargaining Team unanimously recommended the Tentative Settlement to renew the Collective Agreement to the YUFA Executive.

At its meeting today, the YUFA Executive endorsed and recommended for ratification the renewal Collective Agreement between the York University Board of Governors and the York University Faculty Association. The Membership Information Meeting to present the tentative settlement will be held as soon as possible (date to be announced).

Members will receive an agenda via campus mail and electronically as soon as possible. Members will be able to access the tentative settlement and the Chief Negotiators report electronically as soon as possible. As per the YUFA Constitution, voting will be electronic, to begin following the Membership Meeting.

The Tentative Settlement is the product of an intensive and demanding bargaining process. Throughout that process, both sides remained committed to working extremely hard to resolve substantial differences. The Tentative Settlement reflects the bargaining priorities of the membership.

On behalf of the YUFA Executive, I would like to express my immense gratitude to all of the members of the YUFA Bargaining Team and YUFA staff for their seemingly tireless efforts over the course of the spring and summer on behalf of all YUFA members. The YUFA Bargaining Team is Brenda Spotton Visano (Chief Negotiator), John Amanatides, Bob Drummond, Sheila Embleton (YUFA Chief Steward), Leslie Sanders, Richard Wellen, in addition to myself (YUFA President, ex officio), with the support of YUFA staff.
